Your reserved space serves as more of a “home base” as your guests will not be limited to this area and are welcome to enjoy the venue as a whole.

The Game Room is located on the second floor of the beautiful Chicago Athletic Association hotel. Originally the billiards room of the private, mens only Chicago Athletic Association, our Game Room features a range of games, a menu of sharable snacks, and a selection of beer, classic cocktails, and wine.

All events in the Game Room are considered semi-private as the room acts as a thoroughfare between the hotel lobby and Cherry Circle Room, our fine dining restaurant. Our food and beverage minimums will guarantee you space in the room for a minimum of two hours which can be extended for an additional fee.

The Game Room is furnished with 2 pool tables, 2 shuffleboard tables, a foosball table and a regulation size bocce court. All games are first come first served and open to the public as well as guests hosting semi-private events. If you have a party of 30 guests or fewer, you can reserve the bocce court as your designated area. All buyouts of the room will include all of our games.

The Drawing Room, the hotel’s main lobby area, serves coffee, tea, cocktails, wine and beer alongside a daytime and evening menu of light meals and shared snacks from Executive Chef Peter Coenen. The Drawing Room features interiors from acclaimed design team Roman & Williams.

Fees

All events of 150 guests or more will require a full buyout of the Game Room.

Our Booking Fees apply to all events taking place Thursday - Saturday as well as all dates between November 1 - January 31. This fee is required on our higher volume days to account for event set up and exclusivity. This is a taxable fee.

All buyouts will require a \$5000 booking fee. The below food & beverage minimums apply to both our Game Room & Drawing Room spaces.

Our Menu

Our menu features delicious beverages and finger-friendly foods that compliment the atmosphere and setting of our beautifully restored Game Room.

Executive Chef Pete Coenen has created a menu of fun, playful items that nod to concession classics and street food favorites.

For all Game Room and Drawing Room events, we ask that menu items are pre-ordered from the included list. These items are featured from our everyday menu and paired down into small bites and plated snacks.

For all events taking place in the Drawing Room, we offer our premium shared appetizers and desserts only.

We typically suggest about 5-7 pieces per guest for snacking and 8-10 pieces per guest to offer more of a full meal.

Game Room

Game Room Capacity

Capacity for the Game Room is 250 guests. All parties of 150 guests or more will require a full buyout of the Game Room. A buyout of the space will close off the room from walk-in business, however guests will still be escorted through the room to get from one venue to another.

Due to the size of the room, we are often able to book multiple events in one evening. Your event contract will guarantee you reserved space in the room for your guests only. However, there may be other areas reserved for other groups on or around the same time.

While we are happy to accommodate your preference for space in the room, we cannot guarantee this space will be available on your chosen event date.
