GRANT PROPOSAL: Please prepare a PROPOSAL (not to exceed two pages) indicating the items desired, their respective costs, and how they would enhance science education at your institution. The application and proposal must be received no later than October 5, 2018.

Please send to: Gregory Meisner
The Pittsburgh Conference - PCMNCG
300 Penn Center Blvd., Suite 332
Pittsburgh, PA 15235-5503
Or email to pcmncg@pittcon.org

A joint committee of scientists from the sponsoring professional societies will judge the proposals based on technical merit and the qualitative and quantitative impact on science education. Results of the judging will be communicated to those who submit proposals during January, 2019.

DEADLINE: October 5, 2018
