Place: **McCormick Place**

Pittcon2020 Technical Program organized by JAIMA & ETC

Participation is free for all who are registered for Pittcon 2020!

JAIMA & ETC SYMPOSIUM (8:30 – 11:45)

*Advanced Drug Discovery for Biopharma & Biotherapeutics :
Technologies for Structural Analysis & Spectroscopic Cell Imaging*

METHODS & TOPICS

Infrared & Raman
MicroscopyNucleotide-based
TherapeuticsAdvanced MS
technologiesStructural Analysis /
Biology

SPEAKERS

- **John Carpenter** (Univ. of Colorado)
- **Annette Bak** (AstraZeneca)
- **Brian D. Musselman** (IonSense, Inc.)
- **Jonathan Shackman** (ETC/Bristol-Myers Squibb)
- **Atsushi Nakagawa** (Osaka Univ.)

JAIMA & ETC WORKSHOP (13:30 – 16:30)

*Analytical Solutions for Advanced Drug Discovery & Pharmaceutical Practice :
Innovation Between Analytical Science & Pharmaceutical Requirements*

METHODS & TOPICS

Spectroscopic Imaging

Solution Scattering

Miniaturizing Wet
GranulationLiquid
Chromatography

SPEAKERS

- **Sakiko Akaji** (HORIBA, Ltd.)
- **Takashi Sato** (Rigaku Corp.)
- **Ajit Narang** (ETC/Genetech)
- **Howard Stamato** (ETC/Bristol-Myers Squibb)
- **Atis Chakrabarti** (Tosoh Bioscience LLC)
- **Jean Lacoursiere** (Shimadzu Corp./Phytronix)
